

Discovering Bats

at Sauta Cave National Wildlife Refuge (Scottsboro, AL)

Join a refuge naturalist for a presentation at Sauta Cave National Wildlife Refuge near Scottsboro and experience hundreds of thousands of bats departing Sauta Cave at dusk to begin their nightly forage for insects.

Tuesday, June 29, 7:30 PM

Saturday, July 17, 7:30 PM

Thursday, July 29, 7:15 PM

Saturday, August 14, 7:15 PM

Driving Directions: Take I-565 east through Huntsville, take Hwy 72 east toward Scottsboro. Sauta Cave is located on the right (south) side of the road between mile marker 130 and 131. Park to the side of the metal gate and walk 0.25 mile behind the gate to the viewing deck.

Bring: Umbrella or jacket, insect repellent, and a flashlight.

Questions? Call (256) 350-6639.
